The Department of Economic Development and Tourism is seeking to ensure that persons sponsored under the Retirement Visa Scheme have the capacity to easily retire in Tasmania. We do not want you to suffer undue hardship in establishing yourself in Tasmania and, at the same time, we do not want you to be a burden on the Tasmanian Government and community. We would therefore like to assess your capacity to retire to Tasmania. Please answer the following questions:

If you require more space for any answers, please attach a separate sheet.

11. In your own words, explain why you wish to settle in Tasmania (as opposed to other states of Australia)?

12. Is there a particular region of Tasmania in which you would prefer to settle?

13. Have you visited Tasmania before? If so, when, for how long and for what purpose? If you have not visited Tasmania before, are you planning to do so before migrating?

14. Have you requested sponsorship from any other States? If so, which states? (Please note that your honest response to this question will not negatively affect your sponsorship application)

15. How much money (in your local currency) do you plan to bring with you to Tasmania, excluding the designated investment? Where will this money come from? (Please attach supporting documentation)

16. How will you cope with life in a new country, a long way from your family and friends?

17. Do you have experience visiting, residing or working in countries other than your home country?

18. Do you have friends or relatives living in Tasmania or Australia?

19. Do you intend to work in Tasmania? (You are entitled to work up to 20 hours a week)

20. Have you had contact with any community groups in Tasmania?
