

Skilled Sponsored (SS) Visa Program

Eligible 'base-line' occupations for Tasmanian State Sponsorship

Applicants please note

This list has been compiled by the Department of Economic Development, Tourism and the Arts (DEDTA) comprising occupations recommended by the Department of Immigration and Citizenship (DIAC), and should be read in conjunction with the Supplementary Occupations for Tasmanian State Sponsorship list.

The occupations on this list do not represent specific vacancies nor any promise of a job. Should you be granted an SS visa and settle in Tasmania, it is your responsibility to secure employment. Please note that migrants receive no 'special treatment' and you will have to compete with local candidates for available jobs.

International English Language Testing System (IELTS) scores required for Tasmanian SS sponsorship are generally higher than those required by the Department of Immigration and Citizenship or the designated skills assessing authority.

To be eligible for this visa, applicants must genuinely wish to live and work in Tasmania and, in addition to skills, DEDTA will consider factors such as:

- pre-existing family, personal, education, business or commercial links with the state
- a full time, bona fide job offer or strong interest from a local employer
- previous visits to Tasmania
- potential ease of settlement and employment
- transferable assets

The suitability of an applicant for SS nomination will be judged by DEDTA through correspondence and, if possible, a face-to-face or telephone interview. Potential migrants who have already applied for state sponsorship and are making an investigatory visit to Tasmania are strongly encouraged to meet with the Business and Skilled Migration Unit at DEDTA to discuss their intentions. To make an appointment, please contact the unit by email - skilledmigration@development.tas.gov.au. Please be aware that the Unit cannot provide general visa advice.
