

Successful Applicants

2005-06 National Championships Program and Trainee Subsidy Program

The 2005-06 National Championships and Trainee Subsidy Programs opened for applications in August 2005 and closed in May 2006.

To better service the needs of the sport and recreation sector, Sport and Recreation Tasmania offered these two programs on a 'rolling basis'. This enabled organisations to submit applications for funding from the National Championships and Trainee Subsidy Programs throughout 2005-06, with applicants notified of the outcome of their application within six weeks of submission.

Sport and Recreation Tasmania will be continuing this format for 2006-07. The 2006-07 National Championships and Trainee Subsidy Programs opened in July 2006 and will close for applications in April 2007.
